Can anyone imagine a more disagreeable day than Sunday? It began raining early Sunday morning and did not stop for a single moment till night.
It seems a settled fact now that the northbound morning passenger train will not be on time; for several months this train has been two or three hours late.
Lewis Ackerman, Goshen, Ind., says, "DeWitt's Little Early Risers always bring certain relief to my headache and never gripes." They gently cleanse and invigorate the bowels and liver. McMaster Co.
Miss Mary F. McMaster's many friends in Winnsboro will be delighted to know she expects to return home this spring on a visit to her parents, Mr. and Mrs. G. H. McMaster.
Dr. Theodore Quattlebaum, one of our rising physicians, has decided to locate in Batesburg. The death of Dr. Fox of that place leaves a desirable practice, and we hope to see our young friend obtain a share of it.
M. B. Smith, Batesburg, Me., says, "DeWitt's Little Early Risers are the very best pills I ever used for constiveness, liver and bowel trouble." McMaster Co.
In connection with the notice of municipal election, attention is called to the notice of election of a school trustee from the town according to the recent act of the General Assembly. See advertisement elsewhere.
Quite an interesting marriage took place at Craig's chapel recently. The contracting parties were Miss Kittie Beckham and Mr. Fry. Rev. J. D. Crout officiated. Both parties are well known and very popular in their circles.
Mrs. Calvin Zimmerman, Milesburg Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I have heard it recommended to mothers. It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, gripe and throat and lung diseases. It will prevent consumption. McMaster Co."
Mr. and Mrs. R. J. Mackorell visited Yorkville this week to make arrangements for moving to that place at an early date. Mr. Mackorell will engage in the brokerage and commission business there. Lancaster Ledger.
Cards are out announcing the marriage of Messrs. Henry, William and Rev. Peter Stokes. These young gentlemen are relations of our townsman Mr. Richard McMaster and have frequently visited in our midst. Congratulations.
On account of the continued downpour of rain Sunday, no services were held at any of the churches. Rev. C. E. McDonald was taken with a chill Sunday morning, consequently was unable to attend to any of his duties at the A. R. P. Church.
Rev. I. C. Clintworth, D. D., of Lancaster, S. C., will preach at the A. M. Zion Church Thursday night at 8 o'clock. Rev. B. W. Smith, D. D., the pastor in charge, invites the public to be present. Rev. Smith has done good work for the church. The tower was finished last week.
It was reported several days ago that Bob Ellison, colored, who was convicted of manslaughter at the last term of court, was dead. Mr. E. G. Teauant, the county supervisor, says this is not true, as he saw him Tuesday. He was in good health and the best worker on the chalking gang.
Miss Laura Gerig came near being the victim of a serious accident on Tuesday. She started to the depot in a great hurry to meet a friend, and while turning the corner at Mr. Dann's her bicycle collided with a horse and buggy, throwing her violently to the ground. Fortunately she sustained no serious injuries.
Without a doubt, Faneigle the most famous play ever staged. It has been produced in all the large cities in the United States, Canada and Europe. It is a play that pleases all classes of people and is excellent in tone and sentiment. This famous drama will be presented by the Labadie company at the Theopian Hall April 5.
Rev. G. P. Watson arrived Monday afternoon and began his series of

GRIPPE

Grippe and influenza invariably leave the system with a bad cough. For such Dr. John W. Bull's Cough Syrup is highly recommended. This wonderful remedy gives relief at once, conquers the worst cough overnight and soon effects a thorough cure.

MAILED
Married, in Roanoke, Ala., on March 15th, 7 p. m., at the home of the bride's parents Mr. and Mrs. John H. Oldham, Miss Rowena Ethel Oldham, formerly of Greenwood, S. C., to Mr. Herbert Hamilton Cauthen, of Winnsboro, S. C.
A great many will remember Ethel as a little girl, just a few years ago. Mr. Cauthen's family lives in Fairfield County near Winnsboro. His grandfather and uncle belong to the South Carolina Conference. Greenwood Index.

Rich on human cured in 30 minutes by Woodford's Sanitary Lotion. This never fails. Sold by W. E. Aiken, druggist, Winnsboro, S. C.

Trained by Bloodhounds.
A few nights ago a store at Cornwell's was entered belonging to Mr. Strong and several articles stolen. On the same night a bicycle was stolen and it appears the same thief did the stealing. After entering the store he mounted the wheel and came in the direction of Winnsboro. Bloodhounds were put on his trail and they tracked him as far as White Oak but could trail him no farther. The deputy sheriff of Chester was in Winnsboro Tuesday trying to find some trace of the man that rode that bicycle. The thief is said to have been red headed and red mustache and weighed about 175 pounds.

A Good Cough Medicine for Children.
"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by McMaster Co.

Edwin P. Wolfe, first lieutenant and assistant surgeon U. S. A., is in town on leave of absence from his present post at Puerto Principe, Cuba.

A WARNING TO BOYS

The following from the Chester Lantern was a warning to boys in Winnsboro where the parlor rifle is much in evidence:

We remarked some time ago that these parlor rifles and air guns are among the most dangerous, because they are thought to be comparatively harmless. We have seen a number of boys handling them very recklessly, and we have been expecting to hear of an accident. It has come. Ed, a son of Ellison Reid, was shot at long range. It was thought that he would die, but now his chances for recovery are good. The gun was in the hands of a white boy. We do not know whether the gun was discharged accidentally or was aimed at the boy, but the impression that it would do no harm at so great a distance. Shooting should not be allowed in town, and boys should not be allowed to handle guns till they know how dangerous they are.

Rev. W. E. Stitzer, W. Caton, N. Y., writes, "I had dyspepsia over twenty years, and tried doctors and medicines without benefit. I was persuaded to use Kodol Dyspepsia Cure and it helped me from the start. I believe it to be a panacea for all forms of indigestion." It digests what you eat. McMaster Co.

LADIES' HOME JOURNAL FOR APRIL.
Rudyard Kipling's new animal story, "The Elephant's Child," is a feature of the April Ladies' Home Journal. It is the first of a series of "Just So" stories, and describes, with Kipling's inimitable drollery, how the elephant got his trunk. Rev. Cyrus Townsend Brady begins an interesting series of articles on his experience as a "Missionary in the Great West," and Julian Ralph writes of "The Choir Boys of England." The new almost forgotten "Mysteries of the Century," which held the centre of the world's stage in their day, are graphically recalled, and "Singing 'The Messiah' on the Plains" gives a close view of the life of a music-loving Swedish community in the West. Edward Bok, in delectable "The Case With Which We Marry," suggests some restraining, uniform legislation, and speaks plainly on divorce. Ian MacLaren pays his respects to "The Gossamer Tramp in Our Churches," and "An American Mother" writes of "The American Woman in the Market-Place." "Through Picuresque America" was begun in the April Journal, two pages being devoted to views of the natural beauties

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too much uric acid in the blood is also a convincing proof that the kidneys and bladder are out of order.

There is comfort to the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidney, liver, bladder and every part of the urinary passage. It corrects the habit of holding water and scaling pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, if you will send a postal note to Dr. Kilmer & Co., Home of Swamp-Root, Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

of our country. "A Successful Country House in New England" and "Wetland Girls in the Play" are among the other notable pictorial features. To every branch of activity which concerns the homemaker the April Journal brings helpful suggestions or advice. By The Curtis Publishing Company, Philadelphia. One dollar a year; ten cents a copy.

Spain's Greatest Need.
Mr. R. P. Oliva, of Barcelona, Spain, sends his winter at Aiken, S. C. Weak nerves had caused severe pains in the back of his head. On using Electric Bitters, America's greatest Blood and Nerve Remedy, all pain soon left him. He says this grand medicine is what his country needs. All America knows that it cures liver and kidney trouble, purifies the blood, tones up the system, strengthens the nerves, puts vim, vigor and new life into every muscle, nerve and organ of the body. If weak, tired or ailing you need it. Every bottle guaranteed, only 50 cents. Sold by McMaster Co., druggists.

THE CHAIN GANG.
Mr. Editor: There are mutterings heard about the operations of the chalking gang. It is said that under the present management six prisoners have been—some time ago and that five, yesterday, walked off while the guard was asleep and the superintendent of the Ridgeway. It is the belief of many people that Mr. Hood, the head man there ever has been in control of the chalking gang, was deported regardless of the interests of the country, and that a man totally inexperienced (to say the least) was elected in his place purely for political motives. Veto.

MR. RICHARDSON EXPLAINS.
Mr. Editor: I notice from your Saturday issue that some one has made false statements in regard to the escape of five convicts, which escaped from the chalking gang last Thursday. I went to Ridgeway on strictly gang business—that is to procure medicine for a prisoner who was taken violently sick. I left Mr. Fry in charge, as I knew that I would be gone a very short while. It was as next Ridge-way was back to the camp. I can prove by responsible gentlemen of Ridgeway that my business was there, not the experienced kind that are watching and waiting for the superintendent's job. Mr. Fry did fall to fire on the escaping prisoners, but was not asleep. Hope this will be satisfactory.
J. W. Richardson.

Was Orr, Newark, O., says, "We never felt safe without One Minute Cough Cure in the house. It saved my little boy's life when he had the pneumonia. We think it the best medicine made." It cures coughs and all lung diseases. Pleasant to take, harmless and gives immediate results. McMaster Co.

MR. JENNINGS WITH A CANDIDATE FOR STATE TREASURER.
Mr. Editor: I want to say to the Democratic voters of Fairfield County specially, and to all the good people, male and female, generally, that I heartily appreciate their kindness and consideration by which I have been brought to the fourth year of my third term as clerk of the court. I doff my hat, bow my head and return thanks. My friends who have expressed to me their wish that I should be a candidate for re-election this year will excuse me I am sure when I say, that while I would rather be clerk of the court of Fairfield County than Governor of the State, yet under all the circumstances, I don't feel that it would be prudent or altogether consistent for me to ask a fourth term. I may say however that it is gratifying to me to believe that I go out of the office with the approval of my people of all colors and political creeds. If I have an enemy I don't know it, and if there is a murmur of dissatisfaction as to my administration it has not reached my ears. In conclusion allow me to say, after much hesitation, I have decided to be a candidate in the next Democratic primary for State treasurer, and the hearty support of my native county, whether I shall receive the nomination or not, would be a source of great satisfaction, and would act as a soothing balm if I should have to bear the smart of defeat.
R. H. Jennings.

Remarkable Cures of Rheumatism.
From the *Frederick Rutherford, N. C.*
The Editor of the *Indicator* has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days; and second, with the rheumatism of Pain Balm, rubbing the parts afflicted, and receiving instant benefit, and secure relief in a very short time. Second, in rheumatism in thigh joint, almost paralyzing him with severe pain, which was relieved by two applications, rubbing with the liniment, and retiring to bed, and getting up free from pain. For sale by McMaster Co.

RIDGEWAY NEWS.

Five Convicts Escape—One Captured on Friday.
The county chalking camp is located about a mile north of Ridgeway on the Dutchman Creek road. To-day while Superintendent Richardson was in Ridgeway a "trustee" rode in and told him five of his convicts had escaped. Those of us who had not gone "fishing" went "convict hunting." Up to this hour, eight o'clock, none have been caught. At the time of the escape only one guard was on duty.
Miss Anne Herndon, of Ashland, Va., is visiting her brother, Rev. J. G. Herndon.
Mrs. Harry DesPortes is ill with a gripe.
On Thursday last, at the residence of her father, Mrs. Robison was married to Mr. Hollis, of Bear Creek. The bride is the daughter of Mr. W. S. Robison.
March 22, 1900.
The county supervisor informs us that the following are the convicts who have escaped: Henry Harrison and William Harrison, sentenced to six months at the last term of court; Boyce Brice to 18 months; "Big Head Jim," 30 months; William Brown, 3 years. It is stated that the guard did not shoot or attempt to shoot, and one report is that he was asleep, and did not know the escape had been made until the alarm was given by a trustee. Whether this report is true or not, we can not say. "Big Head Jim" was caught near Winnsboro on Friday morning by Mr. Wm. Gilbert, Jr.
The One Day Cold Cure.
Kermath's Cold Cure. Laxative Quinine for cold in the head and sore throat. Children take this easily.
"HOPE DEFERRED MAKETH THE HEART SICK."
Mr. Editor: The following item was clipped from the Southport Standard which was sent to me by a friend. It will interest some of your readers. Some years ago when struggling to get this railroad through Winnsboro, I expressed the hope that, if we failed in the effort, Columbia and Chester, both having several railroads, might be built up rapidly, as it was better to be a suburb of a city than a half dead town on a single line of railroad. We didn't get the railroad and the wish is materializing.
Still it is gratifying to see a few gleams of light shining in the dim horizon, in spite of the most-backs who were ever enlisted in any enterprise that would enrich the town and county, except when they could see big money in it directly for themselves and the asphalt who mistake change for progress. It is consoling also to know that "while there is life there is hope."
G. H. McMaster.
Zanesville, O., March 19, 1900.
Mr. E. B. Stevens, Southport, N. C.
Sir—I have the pleasure of stating that I am laying my plans to build a railroad from the coal fields west of Knoxville to Southport, N. C., and at the same time to make it a link in a chain of railroads from Omaha, Neb., to Southport, N. C., via Knoxville, Tenn., line to cross the Mississippi river at Paducah, Mo., and the Ohio river at Owensboro, Ky.
A line of railroad from Knoxville, Tenn., to Southport, N. C., about 450 miles in length, will also act as the seaboard outlet for the Tennessee Eastern and Western when built. Memphis, Tenn., to Knoxville, Tenn., 200 miles; Knoxville, Tenn., to Southport, Tenn., 250 miles. See Travelers Official Railroad Guide as to date about the Knoxville coal fields. It reached 35 miles west of Knoxville, this making the railroad save on coals 530 miles to Southport.
I project the line to pass through South Carolina via Marion, Florence, Camden, Winnsboro and Greenville. The line could be taken through South Carolina via Bennettsville, Chesterfield, Lancaster, Chester and Spartanburg. Which route will furnish the most local traffic as well as through traffic to Southport?
Railroad building is a business, and not a sentimental affair, but for all that, a railroad which has the friendship of the people through whose lands it runs, will, everything else being equal, have a material advantage over a corporation which has the enmity of the people.
Respectfully submitted,
Albert E. Boone.
A Night of Terror.
"Awful anxiety was felt for the widow of the brave General Burnham, of Machias, Me., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from Pneumonia. But she begged for Dr. King's New Life Pills, saying it had cured her once saved her life, and had cured her of Consumption." After three small doses she was completely cured her. This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at McMaster Co.'s drug store.

ADVANCEMENT OF SCIENCE.

Even Bright's Disease is no Longer regarded as Hopeless.
If you are suffering from kidney, bladder or uric acid trouble, and have despaired of getting help, you should try Swamp-Root, the great kidney remedy. Every reader of THE NEWS and HERALD may obtain a sample bottle free by mail, so you may test it for yourself and fully realize the truth of what your friends and fellow citizens and worth.
Dr. Kilmer's Swamp-Root has been tried and tested by thousands who stand high in this community. It is not recommended for everything, but if you have kidney, bladder or uric acid trouble it will be found just the remedy you need. It brings back the rosy flush of health and strength; it is a purifier and restorer, and is a boon to the weak and ailing.
To be confronted suddenly with the knowledge that Bright's disease has hold of one was, at one time, equivalent to hearing a death warrant read; but to-day, thanks to the discoveries of science and the researches of Dr. Kilmer, no case is entirely hopeless. Even those in advanced stages have been rescued and life prolonged by Swamp-Root.
Swamp-Root is purely vegetable and contains nothing that could harm the most delicate child. It is pleasant to take and the regular fifty-cent and one-dollar sizes are sold by all druggists.
Send your name and address to Dr. Kilmer & Co., Binghamton, N. Y., and a sample bottle and a book telling all about Swamp-Root and its wonderful cures will be sent to you free.
"Have you seen the devil?" is a queer expression, but nevertheless he will be seen in "Faust" at the Theopian Hall on the night of April 5th.

Danger Signals!

Do you take cold with every change in the weather? Does your throat feel raw? And do sharp pains dart through your chest?
Don't you know these are danger signals which point to pneumonia, bronchitis, or consumption if not cured?
If you are ailing and have lost flesh lately, they are certainly danger signals. The question for you to decide is, "Have I the vitality to throw off these diseases?"
Don't wait to try SCOTT'S EMULSION "as a last resort." There is no remedy equal to it for fortifying the system. Prevention is easy.

Scott's Emulsion

prevents consumption and hosts of other diseases which attack the weak and those with poor blood.
SCOTT'S EMULSION is the one standard remedy for inflamed throats and lungs, for colds, bronchitis and consumption. It is a food medicine of remarkable power. A food, because it nourishes the body; and a medicine, because it corrects diseased conditions.

Proclaimed the Best

The people who are the wisest judges of qualities and values. Our offering of
FLOUR, BACON, GRITS, MEAL, OATS, CORN,
and all other lines of Staple and Fancy Groceries can be accepted as the best produced. We searched the markets for the choicest (not the cheapest) goods, and the result of our successful buying is here for our customers.
We have just received a fine lot of Early Rose and Goodrich Seed Potatoes; also Onion Sets.
